Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 170(b)(1)(A)(vi) and 509(a)(1).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

The box checked in the heading of this letter shows whether you must file Form 990, Return of Organization Exempt from Income Tax. If Yes is checked, you are required to file Form 990 only if your gross receipts each year are normally more than $25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of $10 a day, up to a maximum of $5,000, when a return is filed late, unless there is reasonable cause for the delay.

SPECIAL FILMING CONDITIONS
MELROSE AVENUE

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The popularity of the "trendy* part of Melrose Avenue has created a number of serious parking problems on Melrose Avenue as well as the side streets to the north and south. To help mitigate the impact of filming on this area, the following Special Filming Conditions now apply.

- **Affected residents/merchants/businesses must be notified at least two (2) days prior to first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Posting on Melrose Avenue should be kept to a minimum and will require a Filming Survey of all affected merchants.**
- **Cast and crew are not permitted to park on area streets.** *Off-street parking must be provided.*
- **Since permanent signs prohibit parking on the west side of Gardner Street (north of Melrose Avenue), parking/posting can only be allowed on the east side and should be limited to the area between Melrose Avenue and the alley.**
